Sports Sponsorship

CANFORD HOCKEY TEAM

As a well known sponsor of sport in Guernsey, the Louvre Group is spreading its wings and now sponsors the Canford School under 15 hockey squad. Canford is a coeducational school in Dorset for 13 to 18 year olds and has a very strong sports following. When Guemsey born Jean-Paul Baudains approached Louvre it was an ideal opportunity for Louvre to compliment its existing sports sponsorship.

We hope that Jean-Paul, pictured front row third from left, will keep us up-to-date with the successes of the team and we will post regular news up-dates accordingly.

Among its other sporting sponsorships, the Louvre Group has sponsored the GYC Autumn Series of yacht races for many years and has been active in supporting the Guemsey Sailing Trust by providing dinghies to enable the young (and not so young) to learn to sail. Recently the Louvre Group has purchased a Feva sailing dinghy for the Guemsey Sailing Trust and pictures of this will follow shortly.
